

AMENDMENT UNDER EX PARTE QUAYLE PRACTICE  
U.S. Appln. No. 10/692,147  
Attorney Docket No. Q78142

**REMARKS**

This response is to the Ex parte Quayle Action mailed December 22, 2004.

Applicants note with appreciation that claims 1-18 are allowed.

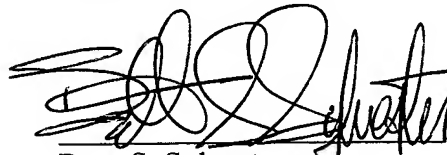

In the Action, the drawings (specifically, Fig. 4) are objected to because they do not include the reference sign **100** mentioned in the description.

An amended replacement drawing sheet (Fig. 4) is submitted herewith to overcome this objection. Reconsideration and withdrawal of the objection are respectfully requested.

In addition, the drawings (Fig. 4) are objected to because they include the following reference characters not mentioned in the description: **4Y, 4M, 4C, 4K, 13, and 23**.

To overcome this objection, Applicants have amended the description at pages 89-90 to add the reference characters in question in the description. Reconsideration and withdrawal of the objection are respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Brett S. Sylvester", written over a horizontal line.
